

Border to Coast Multi-Asset Credit Fund

31 August 2023

Investment Objective

The fund aims to provide a total return (income and capital) in excess of the Sterling Overnight Interbank Average (SONIA) rate plus 3-4% per annum over rolling 5 year periods (net of management fees).

Investment Policy

The fund invests primarily in a diverse range of global debt instruments, including emerging market debt (both government and corporate, and local and hard currency), high yield bonds, leveraged loans and securitised assets. Fund management will generally be delegated to around five external investment managers, with internal management utilised where appropriate.
