

Border to Coast Global Equity Alpha Fund

31 December 2023

Investment Objective

The fund aims to provide a total return (income and capital) which outperforms the total return of the MSCI ACWI Index by at least 2% per annum over rolling 3 year periods (net of management fees).

Investment Policy

The fund invests primarily in global listed equities of companies from countries which are included in the Index. Fund management may be delegated to between three and six external investment managers. The fund is not currently using derivatives for either investment or efficient portfolio management purposes. In the event that Border to Coast intends to use derivatives for either of those purposes within the fund it will give Unitholders 30 days' notice, and may make use of stock lending.
