30 September 2026

EMERGING MARKETS EQUITY FUND

Investment Objective

The fund aims to provide a total return (income and capital) which outperforms the total return of the FTSE Emerging (Net) Index by at least 1.5% per annum over rolling 5-year periods (after fees and expenses, including the calculation of the ACS Manager's Annual Management Charge).

Investment Policy

The fund invests primarily in listed equities of companies which are included in the benchmark. The fund is not currently using derivatives for either investment or efficient portfolio management purposes. In the event that Border to Coast intends to use derivatives for either of those purposes within the fund it will give Unitholders 30 days' notice and may make use of stock lending.

Disclaimers for Authorised Contractual Scheme (ACS) Fund Factsheets

The material in this factsheet has been prepared by Border to Coast Pensions Partnership Limited (Border to Coast) and is current as at the date of this factsheet. This information is given in summary form and does not purport to be complete. Information in this factsheet, including any forecast financial information, should not be considered as advice or a recommendation to investors or potential investors in relation to holding, purchasing or selling securities or other financial products or instruments and does not take into account your particular investment objectives, financial situation or needs. Before acting on any information you should consider the appropriateness of the information having regard to these matters, any relevant offer document and in particular, you should seek independent financial advice. All securities and financial product or instrument transactions involve risks, which include (among others) the risk of adverse or unanticipated market, financial or political developments and, in international transactions, currency risk. This factsheet may contain forward looking statements including statements regarding our intent, belief or current expectations with respect to Border to Coasts businesses and operations, market conditions, results of operation and financial condition, capital adequacy, specific provisions and risk management practices. Readers are cautioned not to place undue reliance on these forward looking statements. Border to Coast does not undertake any obligation to publicly release the result of any revisions to these forward looking statements to reflect events or circumstances after the date hereof to reflect the occurrence of unanticipated events. While due care has been used in the preparation of any forecast information, actual results may vary in a materially positive or negative manner. Forecasts and hypothetical examples are subject to uncertainty and contingencies outside Border to Coasts control.

Past performance is not a reliable indication of future performance. The information in this factsheet is provided as is and as available and is used at the recipients own risk. To the fullest extent available by law, Border to Coast accepts no liability (including tort, strict liability or otherwise) for any loss or damage arising from any use of, or reliance on, any information provided in this factsheet howsoever caused. This Fund is for professional investors only. This factsheet is not to be distributed further without the prior permission of Border to Coast, as the Fund is for customers' sole use.

Border to Coast is authorised and regulated by the Financial Conduct Authority 12 Endeavour Square London E20 1JN (FRN800511).
